DEWAN'S OFFICE

No. 3825

The Government of Mysore are authorised to nominate two representatives to the Council of the Institute of Science. The present nominees for the triennium 1929-31 are the Vice Chancellor of the Mysore University and myself. Sir Brajendranath Seal and during his absence Mr. K. Chandy were thus members of the Council. Now that Dr. Metcalfe has been appointed Vice Chancellor permanently he automatically becomes a member of the Council; but as he is already a Member of the Council having been elected by the Southern group of Universities, it appears to me that some other person might be nominated to represent the Mysore Government, in the place of the Vice Chancellor, during the remaining period of the triennium. I would suggest that Mr. N.S. Subba Rao, Director of Public Instruction may be nominated.
